

QUESTION: WILL I GET A TRANSFER?

On 7/Jan/2009, Mr. Ramesh Kapoor sent me an email that he was working as a HOD in a Government Educational Institute for about 2 years. Two weeks before he had the news through some one that he might be transferred to another branch of the Institutes which was too far from the existing place. But he did not get any official information yet. As he was living for quite number of years in the present location and his family got settled. Hence he was disturbed and in a confused stage. He asked me the following questions:

- a) Will I get a Transfer ?
- b) If so, when?

He furnished his Birth Details and also gave Horary number 126 for Horary analysis also.

After thorough analysis on both the Birth and the Horary chart, the following predictions were given to him.

- a) He will definitely be Transferred to a new place. He has to relocate his house.
- b) He will not get any promotion. In stead he will get a lesser grade post.
- c) He will be transferred before 20th Jan 2009.

Result:

Even though he tried hard through his known political resources, he could not succeed and he got his transfer to a remote place on 14th Jan 2009. He was posted as a Professor in the College.
